## The Official Erie County Fair At Wattsburg Premium Guide

### GENERAL RULES

The State Premium Book has been arranged so that Fairs may incorporate all or parts of it in their individual Fair Premium Books. All Fairs who receive Fair Program Grants shall conform with this book when preparing their Premium Books. This means you shall follow the position of a Department as shown. You need not show any Departments, Divisions, Sections or Classes for which you do not want Exhibits. Every exhibit accepted for premium must be given an entry tag, which must be properly marked to show the Name of the Exhibit. In the case of live stock, breed name must be shown on cards large enough so that the breed name can be readily identified by the viewers. If the livestock is grouped together according to breed, one large sign to designate the group will be satisfactory. The ribbons or rosettes must be placed on the stall or pen of the individual winners for the duration of the Fair or show. In the case of poultry, entry tags showing species must be plainly exhibited on each cage, and winning stickers must appear on such entry tags showing winners. Failure to comply with this regulation will result in forfeiture of premiums. It will be the duty of the Fair or show officials to enforce this regulation. We want each Fair to encourage exhibitors in each class; however, in some departments, facilities may limit the number of entries. Accordingly, in some classes or divisions, you may limit the number of entries per exhibitor in each class.

## JUDGING RULES AND REGULATIONS

1. All exhibitors agree to be bound by the rules and regulations of The Erie County Fair at Wattsburg.
2. The Fair management reserves the right to amend or add to these guidelines as its judgment may determine.
3. Reasonable care will be taken to protect all exhibits on display from all injury and damage, but The Erie County Fair at Wattsburg, PA is not in any way to be held responsible for accidents, loss or damage by water, fire, theft or otherwise, whatever may be the cause or extent of the damage or loss.
4. All entries must have been grown, produced, or made since the last Fair, by the person whose name appears on the tag as exhibitor. If entries are to be limited to residents of the County, or to a specified area, this must be stated in the Fair's Premium Book or tabloid under the Rules Section. Any exhibitor may be required to prove ability to reproduce entry in any department in the presence of a qualified person.
5. Superintendents reserve the right to bar from competition any entry of inferior quality and those not possessing sufficient merit to warrant recognition. The Fair reserves the right to remove any exhibit not worthy of viewing by the public.
6. Food products cannot be made with any substance that causes them to become poisonous and unfit to be used for consumption. Any such incidents must be reported to the Pennsylvania Agricultural Fair Program for further review.
7. No exhibit may be removed at any time before the close of the Fair, except by consent of the management of the Fair.
8. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the Fair or show which shall be supplied by the Fair, free of charge.
9. All livestock offered for premiums must have been the property of the owners for thirty (30) days or longer. Health papers are to be issued in the name of the exhibitor.
10. The market animals should be weighed on the same set of scales under a qualified weight master, and the direction of the Fair.
11. Over fitting of cattle is discouraged. any artificial means used to change the form or shape of an animal will disqualify it from competition.
12. When on exhibition in the ring, each animal must be under halter and in charge of owner or employee. The Fair will have stand-by attendants available during the youth judging or showing; persons designated if there is trouble with the animals.
13. Joint ownership is considered to be as one owner in accordance with registration papers.
14. Recognizing the fact that it is not possible to list every desirable or worthwhile class in each section of each department, and that fashion and fad, particularly in the areas of Needlecraft, Domestic Art and Fine Art, may change the norm for which it is intended, it is advised that each Fair shall add or delete classes in which they perceive to be in their own best interest. Such changes shall not in any way jeopardize the Premium reimbursement up to the maximum set forth in each Section of each Department.
15. It is permissible for each fair to establish Supreme Champion Classes.
16. Entries will be made according to classification.
17. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, Judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. the Judges may, at their discretion, award a ribbon or rosette.
18. The Fair reserves the right to determine how many entries they will accept from an exhibitor in the same class, or, in the case of livestock, the same breed, and poultry, the same species.
19. The decision of the judges shall be final in all cases, except where mistakes, fraud, misrepresentation or collusion, not discovered at the time of the award, is proved. In such cases, the superintendent, manager or secretary of the Fair or show, or such referee as he/she may appoint, may make the decision. The case may be appealed to the Fair management or Show Commission, from whose decision there can be no appeal. It is suggested that each Fair have a committee of three board members designated prior to fair time for this purpose. There will be no judging or prize awarded on the Danish System.
20. All protests regarding the judging must be made in writing and must plainly state the cause of the complaint or appeal. Such protests must be filed at the Fair Office within 24 hours of the occurrence.
21. It shall be the responsibility of the exhibitor to properly name the article or breed of livestock he/she is entering, any exhibit improperly entered will be disqualified to receive a premium, but the judges will make the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.
22. Judging is viewed as an educational process and the public is encouraged to view the judging event. Any exhibitor interfering with the Judges while making awards shall forfeit any premium to which he/she would otherwise have been entitled. Each Fair is to implement this effort, based on available space.
23. Should any animal awarded a prize be disqualified, the animals gaining the lower prizes shall move into the next higher position, if in the opinion of the judges the animals are worthy of such prizes.
24. The Erie County Fair at Wattsburg reserves the right to withhold Premiums awarded in any case in which it shall appear that the regulations have not been complied with or that fraud or deception has been practiced or attempted, and at the Superintendent's discretion, be excused from the ground and/or be barred from future competition at this show.
25. Department superintendents may enter exhibits in their own departments, but neither they nor any other exhibitor may communicate with the Judges during the time of determining the awards, except to answer questions proposed by the Judges.

# PORK CHOP REVIEW DAILY ON THE MIDWAY

Starting Tuesday, September 1st  
See Pages 54-55 For Show Times!

The Pork Chop Revue is a great family show with a strong family tradition !

Born and raised in show business, Les Kimes is the son of one of the most comical animal trainers of our time. At age 3, he began performing alongside his father, Boyd Kimes, the originator of the Pork chop Revue.

This act toured nationally, making appearances on The Mike Douglas Show, Merv Griffin, Laugh-In, the Tonight Show, Ed Sullivan and many more. With each appearance, audiences grew to love the semi acrobatic antics of these pigs as they performed and outsmarted their human caretakers. Then and now they are one of the most popular acts around.

Combining and perfecting the training skill his father taught him, Les made his professional solo debut at the age of 14. His love for the animals and his energy on stage made him the natural ham his father always knew he was. The Pork Chop Revue continues on today and will be going into its third generation as Les' own sons take over.

**The Pork Chop Revue has been around the farm a few times. Before you ask them to yours check out these fine references:**

Kentucky State Fair • Iowa State Fair • Indiana State Fair • Meadowslands Fair • Ozark Empire Fair • Eastern States Exposition • State Fair of Texas • San Antonio Livestock Show • Silver Dollar City • Pensacola Interstate Fair • Colorado State Fair • Yorktown Fair • NBA Halftime shows •

**They also look pretty good on TV, maybe you have seen them on these great shows:**

CBS This Morning • Animal Planet • TNN News • Good Morning America • Nashville Now • Today Show • Circus of the Stars • Wheel of Fortune • Inside the NBA • Entertainment Tonight

**Cousin Grumpy and the pigs have also rubbed elbows with the stars. Here's a few of our favorite snout kissers:**

Billy Crystal • Kelly McGillis • Kurt Russell • Ralph Emery • Zsa Zsa Gabor • Willard Scott • Phyllis Diller • Fred Willard • Carol Lawrence • Penn & Teller

## BLUE RIBBON APPLE PIE CONTEST

### INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2021 EVENT

Each county/local fair is encouraged to conduct a 33rd Annual Blue Ribbon Apple Pie Contest at their 2021 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2022 PENNSYLVANIA FARM SHOW

**RULES** for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
2. Entrants may **NOT** have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2021.
3. Entry must be a pie that **must include at least 60% apples in the filling**. It does not need to be a "traditional" two crusted apple pie and it can have a variety of fillings. **All ingredients and decorations must be edible.**
4. The entire pie must be submitted for judging in a food safe disposable pie pan. (All pans, plates and dishes are considered to be disposable and will **not** be returned.)
5. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 1/2" by 11" paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant's name, address and phone number must be printed on the **back side** of all the pages. (All recipes and pies will become the property of the Fair or PA Farm Show and will **not** be returned.)
6. Refrigeration is **not** available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
7. Judging will be based on the following criteria:

Flavor	30 points
Filling: consistency, doneness, moistness & flavor	25 points
Crust: color, flavor, texture doneness	20 points
Overall Appearance	15 points
Creativity	10 points
<b>TOTAL</b>	<b>100 Points</b>

Creativity is essential to a varied competition. Do not limit your contest to a "traditional" two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

The recipe for the pie and pie crust will also need to be submitted when entering at the Pennsylvania Farm Show.

Each Fair must sign a Certification Entry Form verifying the winning apple pie baker and this person will be eligible to enter the state competition at the 2022 Farm Show.

***NOTE:** If an individual has already won 1st place at another fair in 2021 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2022 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.*

***First Place Winner is eligible for the 2022 PA Farm Show competition.***

### PA Fair Queen Dress Code

Wearing of the Fair Queen crown and/or sash is to be considered an honor and privilege. The bearer is now an ambassador representing herself, her family, her community and Fair.

***While fashion styles may change, good taste does not!***

Therefore responsible, appropriate and professional appearance is expected while the Queen is wearing her crown and sash:

1. Attire that is conducive to the specific appearance or event (i.e. business casual, formal, etc.)
  2. No jeans, sneakers, flip flops or boots. "No Boots" rules apply to
    1. NO cowboy/western style boots
    2. NO thigh-high or over-the-knee boots
    3. NO muck boots.
    4. NO work boots
    5. Shoe boots, with or without a heel, are permitted if the shoe boots are no higher than ankle height (see photo sample above)
- It is strongly recommended that closed-toe shoes be worn when in livestock areas, for safety reasons.
- Alterations may be made to this jean-footwear rule only if:
- a) severe weather or unsafe conditions exist and
  - b) the Fair Queen's official coordinator or Board Member has approved an alteration consistent with the professional appearance expectation.
3. No visible piercings (other than earrings) or tattoos.
  4. No outfit that shows cleavage.
  5. Dresses/skirts must be no shorter than the height of a dollar bill (approx 2.5") from the bottom of the dress/skirt hem to the top of the knee cap.
  6. No clothing that advertises, promotes, or glorifies the use of alcohol, tobacco, drugs, or anything inconsistent with the dignity of the Queen Program

### PA Fair Queen Obligations

The winner receives a \$2,500 scholarship upon meeting the following obligations:
