At Wattsburg Premium Guide

GENERAL RULES

The State Premium Book has been arranged so that Fairs may incorporate all or parts of it in their individual Fair Premium Books. All Fairs who receive Fair Program Grants shall conform with this book when preparing their Premium Books. This means you shall follow the position of a Department as shown. You need not show any Departments, Divisions, Sections or Classes for which you do not want Exhibits. Every exhibit accepted for premium must be given an entry tag, which must be properly marked to show the Name of the Exhibit. In the case of live stock, breed name must be shown on cards large enough so that the breed name can be readily identified by the viewers. If the livestock is grouped together according to breed, one large sign to designate the group will be satisfactory. The ribbons or rosettes must be placed on the stall or pen of the individual winners for the duration of the Fair or show. In the case of poultry, entry tags showing species must be plainly exhibited on each cage, and winning stickers must appear on such entry tags showing winners. Failure to comply with this regulation will result in forfeiture of premiums. It will be the duty of the Fair or show officials to enforce this regulation. We want each Fair to encourage exhibitors in each class; however, in some departments, facilities may limit the number of entries. Accordingly, in some classes or divisions, you may limit the number of entries per exhibitor in each class.

JUDGING RULES AND REGULATIONS

1. All exhibitors agree to be bound by the rules and regulations of The Erie County Fair at Wattsburg.
2. The Fair management reserves the right to amend or add to these guidelines as its judgment may determine.
3. Reasonable care will be taken to protect all exhibits on display from all injury and damage, but The Erie County Fair at Wattsburg, PA is not in any way to be held responsible for accidents, loss or damage by water, fire, theft or otherwise, whatever may be the cause or extent of the damage or loss.
4. All entries must have been grown, produced, or made since the last Fair, by the person whose name appears on the tag as exhibitor. If entries are to be limited to residents of the County, or to a specified area, this must be stated in the Fair's Premium Book or tabloid under the Rules Section. Any exhibitor may be required to prove ability to reproduce entry in any department in the presence of a qualified person.
5. Superintendents reserve the right to bar from competition any entry of inferior quality and those not possessing sufficient merit to warrant recognition. The Fair reserves the right to remove any exhibit not worthy of viewing by the public.
6. Food products cannot be made with any substance that causes them to become poisonous and unfit to be used for consumption. Any such incidents must be reported to the Pennsylvania Agricultural Fair Program for further review.
7. No exhibit may be removed at any time before the close of the Fair, except by consent of the management of the Fair.
8. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the Fair or show which shall be supplied by the Fair, free of charge.
9. All livestock offered for premiums must have been the property of the owners for thirty (30) days or longer. Health papers are to be issued in the name of the exhibitor.
10. The market animals should be weighed on the same set of scales under a qualified weight master, and the direction of the Fair.
11. Over fitting of cattle is discouraged. any artificial means used to change the form or shape of an animal will disqualify it from competition.
12. When on exhibition in the ring, each animal must be under halter and in charge of owner or employee. The Fair will have stand-by attendants available during the youth judging or showing; persons designated if there is trouble with the animals.
13. Joint ownership is considered to be as one owner in accordance with registration papers.
14. Recognizing the fact that it is not possible to list every desirable or worthwhile class in each section of each department, and that fashion and fad, particularly in the areas of Needlecraft, Domestic Art and Fine Art, may change the norm for which it is intended, it is advised that each Fair shall add or delete classes in which they perceive to be in their own best interest. Such changes shall not in any way jeopardize the Premium reimbursement up to the maximum set forth in each Section of each Department.
15. It is permissible for each fair to establish Supreme Champion Classes.
16. Entries will be made according to classification.
17. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, Judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. the Judges may, at their discretion, award a ribbon or rosette.
18. The Fair reserves the right to determine how many entries they will accept from an exhibitor in the same class, or, in the case of livestock, the same breed, and poultry, the same species.
19. The decision of the judges shall be final in all cases, except where mistakes, fraud, misrepresentation or collusion, not discovered at the time of the award, is proved. In such cases, the superintendent, manager or secretary of the Fair or show, or such referee as he/she may appoint, may make the decision. The case may be appealed to the Fair management or Show Commission, from whose decision there can be no appeal. It is suggested that each Fair have a committee of three board members designated prior to fair time for this purpose. There will be no judging or prize awarded on the Danish System.
20. All protests regarding the judging must be made in writing and must plainly state the cause of the complaint or appeal. Such protests must be filed at the Fair Office within 24 hours of the occurrence.
21. It shall be the responsibility of the exhibitor to properly name the article or breed of livestock he/she is entering, any exhibit improperly entered will be disqualified to receive a premium, but the judges will make the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.
22. Judging is viewed as an educational process and the public is encouraged to view the judging event. Any exhibitor interfering with the Judges while making awards shall forfeit any premium to which he/she would otherwise have been entitled. Each Fair is to implement this effort, based on available space.
23. Should any animal awarded a prize be disqualified, the animals gaining the lower prizes shall move into the next higher position, if in the opinion of the judges the animals are worthy of such prizes.
24. The Erie County Fair at Wattsburg reserves the right to withhold Premiums awarded in any case in which it shall appear that the regulations have not been complied with or that fraud or deception has been practiced or attempted, and at the Superintendent's discretion, be excused from the ground and/or be barred from future competition at this show.
25. Department superintendents may enter exhibits in their own departments, but neither they nor any other exhibitor may communicate with the Judges during the time of determining the awards, except to answer questions proposed by the Judges.

It is permissible to charge an entry fee.

Department 15 Class:10 Lot: C Blue Ribbon Apple Pie Contest

BLUE RIBBON APPLE PIE CONTEST

RULES for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
2. **Entrants may NOT have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2022.**
3. Entire entry must be **made from scratch**. No pre-packaged ingredients may be used (*ex: pre-made mixes, cookie dough, pie crust, frosting, etc.*) **All ingredients and decorations must be edible.**
4. Recipe **must include at least 60% apples in the filling**. It does not need to be a “traditional” two crusted apple pie and it can have a variety of fillings.
5. The entire pie must be submitted for judging in a food safe disposable pie pan. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
6. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 ½” by 11” paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant’s name, address and phone number must be printed on the back side of all the pages. (*All recipes and pies will become the property of the Fair or PA Farm Show and will not be returned.*)
7. Refrigeration is **not** available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
8. Judging will be based on the following criteria:

Flavor	30 points
Filling: consistency, doneness, moistness & flavor	25 points
Crust: color, flavor, texture doneness	20 points
Overall Appearance	15 points
Creativity	10 points
TOTAL	100 Points

Creativity is essential to a varied competition. Do not limit your contest to a “traditional” two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

The recipe for the pie and pie crust will also need to be submitted when entering at the Pennsylvania Farm Show.

Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2023 Farm Show and will receive the Official Certification Form from the PA Fairs Special Baking Contest Committee.

NOTE: *If an individual has already won 1st place at another fair in 2022 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2023 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.*

First Place Winner is eligible for the 2023 PA Farm Show competition.
