19. It is permissible to charge an entry fee.
20. Responsibility for accident: The Erie County Fair shall not be responsible for any accident which may occur to any animals exhibited at the show; the exhibitor shall hold it blameless and indemnity against any legal proceeding arising from any such accident.

EXHIBITS:

1. All exhibitors agree to be bound by the rules and regulations of the Erie County Fair/Wattsburg Agricultural Society.
2. The Fair Management reserves the right to amend or add to these rules and regulations as its judgment may determine.
3. All Animal Health rules must be followed, and proper documents must accompany entries to be considered complete. All incomplete entries will not be accepted.
4. Exhibits should be entered under the name of the owner. Owner shall be the person responsible for showing the animal. Premiums will be made payable according to the exhibit's entry form.
5. Exhibitor is responsible for daily care and feeding of animals and daily removal of manure from barn. The exhibitors will be expected to keep the space they occupy in a clean and sanitary condition and to remove all their equipment promptly as the superintendent may direct. Daily and Overall Good Housekeeping awards will be given in each animal department. Inspections to be made unannounced.
6. During fair week, reasonable care will be taken to protect all exhibits on display from all injury and damage, but the Erie County Fair is not, in any way, to be held responsible for accidents, loss or damage by water, fire, theft, or otherwise, whatever may be the cause or extent of the damage or loss. Exhibits not removed during the stipulated removal time allotted by the Fair are the responsibility of the owner; the Fair cannot assure the wellbeing of the exhibits.
7. Entries will be made according to classifications as listed in Official Premium Book.
8. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rules apply where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a prize or prizes of such grade as the exhibit deserves.
9. The fair reserves the right to determine how many entries they will accept from any exhibitor in the same class, or in the case of livestock, the same breed, and poultry, the same species.
10. The decision of the judges shall be final in all cases, except where mistakes, fraud, misrepresentation or collusion, not discovered at the time of the award, are proved. In such cases, the superintendent, manager or secretary of the Fair or show, or such referee as he/she may appoint, may make the decision. The case may be appealed to the Fair management or Show Commission, from whose decision there can be no appeal. It is suggested that each Fair have a committee of three board members designated prior to fair time for this purpose.
11. All protests regarding judging must be made in writing and must plainly state the cause of the complaint or appeal. Such protest must be filed at the Fair Office within 24 hours of the occurrence. The case may be appealed to the Fair's Executive Board from whose decision there can be no appeal.
12. It shall be the responsibility of the exhibitor to make known the proper name of the article or breed of livestock he is entering. Any item entered improperly will be disqualified to receive a prize, but the judges will mark the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.
13. Exhibitors will be expected to display or parade their animals as directed by the superintendent, to accept the stall assigned without controversy, to keep their animals in an attractive appearance and to cooperate with the Department in every way that may serve to increase the educational value of the show.

14. Exhibitors of livestock must inform themselves as to when their stock will be judged. Stock must be in the ring promptly on call and a failure to comply with the order renders exhibitors liable to be ruled out of competing. Decorations with ribbons previously won by animals at shows shall be prohibited until after the awards have been made in their respective classes by the Judges.
15. The Erie County Fair reserves the right to withhold Premiums awarded in any case in which it shall appear that the regulations have not been complied with or that fraud or deception has been practiced or attempted, and at the Superintendent's discretion, be excused from the ground and/or be barred from future competition at this show.
16. All entries must have been grown, produced, or made since the last Fair, by the person whose name appears on the tag as an exhibitor. If entries are to be limited to residents of the County, or to a specified area, this must be stated in the Fair's Premium Book or tabloid under the Rules Section. Any exhibitor may be required to prove the ability to reproduce entry in any department in the presence of a qualified person.
17. Chairpersons of a department reserve the right to disqualify and remove from area any exhibitor whose behavior is disruptive to exhibiting and judging of entrees. Such person may be barred from future fair exhibiting.
18. The Fair Board of Directors may, at any time, order the removal of any exhibit or part of exhibit in poor condition and any article unfit to show may be excluded. No ribbon, trophies, awards, or exhibits may be removed at any time before the close of the fair. No trucks may enter the barn area prior to release time. Failure to comply will result in the forfeiture of premiums.
Close of Fair: September 5, 2026, at 9:00 PM
19. Judging is viewed as an educational process, and the public is encouraged to view the judging event. Any exhibitor interfering with the Judges while making awards shall forfeit any premium to which he/she would otherwise have been entitled. Each Fair is to implement this effort, based on available space. No person shall be allowed in the ring while stock is being judged, except judge superintendents and necessary attendants.
20. All livestock for premiums must be the property of the owner thirty (30) days or longer. Health papers are to be issued in the name of the exhibitor.
21. The market animals should be weighed on the same set of scales under a qualified weight master, and the direction of the Fair.
22. Recognizing the fact that it is not possible to list every desirable or worthwhile class in each section of each department, and that fashion and fad, particularly in the areas of Needlecraft, Domestic Art and Fine Art, may change the norm for which it is intended, it is advised that each Fair shall add or delete classes in which they perceive to be in their own best interest. Such changes shall not in any way jeopardize the Premium reimbursement up to the maximum set forth in each Section of each Department.
23. Should any animal awarded a prize be disqualified, the animals gaining the lower prize shall move into the next higher position if, in the opinion of the judges, the animals are worthy of such prizes.
24. Overfitting cattle will be discriminated against. Any artificial means used to change the form or shape of any animal will disqualify it from competition.
25. When exhibiting in the ring, each animal must be under halter and in charge of owner or employee.
26. Joint ownership considered to be one owner in accordance with registration paper.
27. Any junior exhibitor may be required to prove ability to reproduce entry, in any department, in the presence of a qualified person.
28. Champion awards or trophies will be awarded only if there is competition within the breed, division, or event.
29. Start times are subject to change due to length of preceding competitions.
30. Tack Stalls are not guaranteed in barns.
31. Once animals are on the fairgrounds, they must remain for the duration of the fair unless determined by the committee that they be removed due to illness, etc.
32. **NO** animals on the grounds should have water, feed, hay, etc. withheld unless under a vet's care.
33. There is to be no permanent eating or sleeping

areas in the barns as it is a major concern of diseases.

34. Food products cannot be made with any substance that causes them to become poisonous and unfit to be used for consumption. Any such incidents must be reported to the Pennsylvania Agricultural Fair Program for further review.
35. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the Fair or show which shall be supplied by the Fair, free of charge.
36. Department superintendents may enter exhibits in their own departments, but neither they nor any other exhibitor may communicate with the Judges during the time of determining the awards, except to answer questions proposed by the Judges.

THE OFFICIAL ERIE COUNTY FAIR PREMIUM BOOK GENERAL RULES

The State Premium Book has been arranged so that Fairs may incorporate all or parts of it in their individual Fair Premium Books. All Fairs who receive Fair Program Grants shall conform with this The State Premium Book has been arranged so that Fairs may incorporate all or parts of it in their individual Fair Premium Books. All Fairs who receive Fair Program Grants shall conform with this book when preparing their Premium Books. This means you shall follow the position of Department

as shown. You need not show any Departments, Divisions, Sections or Classes for which you do not want Exhibits. Every exhibit accepted for premium must be given an entry tag, which must be properly marked to show the Name of the Exhibit. In the case of livestock, breed name must be shown on cards large enough so that the breed name can be readily identified by the viewers. If the livestock is grouped together according to breed, one large sign to designate the group will be satisfactory. The ribbons or rosettes must be placed on the stall or pen of the individual winners for the duration of the Fair or show. In the case of poultry, entry tags showing species must be plainly exhibited on each cage, and winning stickers must appear on such entry tags showing winners. Failure to comply with this regulation will result in forfeiture of premiums. It will be the duty of the Fair or show officials to enforce this regulation. We want each Fair to encourage exhibitors in each class; however, in some departments, facilities may limit the number of entries. Accordingly, in some classes or divisions, you may limit the number of entries per exhibitor in each class.

ERIE COUNTY EXECUTIVE
CHRISTINA M. VOGEL

★

On behalf of Erie County, I extend sincere congratulations to the Board of Directors, volunteers, exhibitors, and everyone who helped to bring the 141st Erie County Fair at Wattsburg to life. Your dedication keeps this long-standing tradition strong and ensures it continues to be a summer highlight for families across our region.

Agricultural fairs are about as American as it gets. As we celebrate America's 250th birthday, events like this remind us of the values that have shaped our country from the very beginning, hard work, community pride, and a deep connection to the land. These fairs bring back fond memories and traditions we look back on with nostalgia, but they are also living experiences that continue to bring people together today.

I grew up in an agricultural community, and fairs were a meaningful part of that experience. They are more than beloved moments in time, they are part of what shaped my values and perspective. The sights, sounds, and people you find at the fairground stay with you long after the gates close each year.

Beyond tradition, the Erie County Fair at Wattsburg plays an important role in supporting local agriculture, small businesses, and youth development. Through exhibits, livestock shows, and programs like 4-H, young people gain hands-on experience, responsibility, and confidence that carry far beyond the fairgrounds.

Thank you to everyone who makes this event possible. Your efforts preserve a proud tradition while strengthening the sense of community that defines Erie County. The 141st Erie County Fair at Wattsburg is a celebration of who we are and who we continue to become together.

A Special Message from

PENNSYLVANIA
4th LEGISLATIVE DISTRICT
REPRESENTATIVE

★ **JAKE BANTA** ★

Growing up on a farm, fair time was always a great tradition to me. The smell of the fairway and noise, if you know you know. The animals and events are always fun. In school I raised and entered a steer in the beef program through FFA.

I can't say enough about how it affected my journey in life and what the fair tradition means to me. I've hardly ever missed a single year and hope to continue to go every year. It's nice to see the folks in the city come out to the Erie County Fair every night.

As a State Representative of the 4th Legislative District which includes Wattsburg, I couldn't be more proud to serve!

See ya there!

BLUE RIBBON APPLE PIE CONTEST

INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2026 EVENT

Each county/local fair is encouraged to conduct a 38th Annual Blue Ribbon Apple Pie Contest at their 2026 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2027 PENNSYLVANIA FARM SHOW.

RULES for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
2. **Entrants may NOT have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2026.**
3. The Apple Pie, including fillings and crust, must be **made from scratch with edible ingredients**. No pre-packaged ingredients may be used (*ex: no pre-made mixes, cookie dough, pie crust, frosting, etc.*) Any decorations must just be edible.
4. Recipe **must include at least 60% apples in the filling**. It does not need to be a “traditional” two crusted apple pie and it can have a variety of fillings.
5. The entire pie must be submitted for judging in a food safe disposable pie pan. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
6. The Pie entry and its recipes will become the property of the Fair or PA Farm Show and will not be returned
7. Recipe(s) for the Pie and Crust must be submitted with the entry, printed on one side of 8-1/2” x 11” sheets of paper. Recipe must list all ingredients, quantities, and preparation instructions. Entrant’s name, address and phone number must be printed on the back side of all pages.
8. Refrigeration is not available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
9. Judging will be based on the following criteria:

Flavor (aroma, taste, good balance of flavorings)	35 points
Filling (consistency, doneness, moistness, flavor)	25 points
Crust (color, flavor, texture doneness)	20 points
Overall Appearance (surface, shape, size, color)	15 points
Creativity	<u>5 points</u>
TOTAL	100 Points

Creativity is essential to a varied competition. Do not limit your contest to a “traditional” two-crust apple pie. We are looking for a variety of fillings in the pie; the pie must include at least 60% apples in the filling.

Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2027 PA Farm Show and will receive the Official PA Farm Show Certification Entry Form directly from the PA Fairs Special Baking Contest Committee.

***NOTE:** If an individual has already won 1st place at another fair in 2026 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2027 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.*

First Place Winner is eligible for the 2027 PA Farm Show competition.

2026 Participating Fair and 2027 PA Farm Show Contest Rules

PSACF Release: January 2026

2026 PA Preferred® Junior Baking Contest Cookies, Brownies and Bars Sponsor: *PA Preferred®*

The goal of the PA Preferred® Baking Contest is to encourage young people across the Commonwealth to participate in Pennsylvania's agricultural fairs by showcasing Pennsylvania grown and produced products in their contest entries.

RULES:

1. Open to any individual **amateur** baker (ages 8 through 18 at the time of the fair's contest) who is a Pennsylvania resident. One entry per person.
2. **Entrants may NOT have won 1st place in this PA Preferred® Junior Baking contest at any other fair in 2026.**
3. Entry must be **six (6) individual sized portions** of the baked entry item (cookies, brownies or bars).
4. The Cookies, Brownies or Bars, and any fillings and frostings, must be **made from scratch with edible ingredients**. No pre-packaged ingredients may be used (ex: no pre-made mixes, cookie dough, pie crust, frosting, etc.). Any decorations must just be edible.
5. At least two (2) PA Preferred® or locally produced ingredients must be used in the recipe. Some examples of qualifying ingredients include grains (*such as oats or flour*), butter, milk, eggs, fruits and/or vegetables.
6. **A PA Preferred® logo is not required** because not all PA Preferred® products carry the label. The name of the ingredient and the source is sufficient (*see attached example*). Contact RA-AGPAPreferred@pa.gov for any assistance with qualifying ingredients.
7. Entry must be submitted for judging **on a food safe disposable setting**. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
8. The PA Preferred® entry and its recipes will become the property of the Fair or PA Farm Show and will not be returned.
9. Recipe(s) must be submitted with the entry, printed on one side of 8-1/2" x 11" sheets of paper. Recipe must list all ingredients, quantities, and preparation instructions. The name of each PA Preferred® ingredient or locally produced ingredient must be clearly listed with the words "PA Preferred" and then the name of the source that made/grew the product (ex: *PA Preferred Milk – Galliker's brand*; or *PA Preferred Apples - Smith Farm Orchard*). Entrant's name, age, address and phone number must be printed on the back side of all pages.
10. Refrigeration is not available at the fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
11. **Judging Criteria:**

**OWNER ENDORSED AVIAN HEALTH CERTIFICATE
AND BIOSECURITY STATEMENT**

Introduction: Highly pathogenic avian influenza is a fatal and contagious disease of poultry and has led to the loss of more than 100 million birds in the United States since 2022. The virus causing this disease can be spread by infected wild and domestic birds, on products such as feathers and eggs, on clothing, vehicles, equipment, and other fomites such as packing materials, and through the air. However, if all protocols for reducing the risk of spreading disease are followed, market birds, non-poultry, hatchlings, and avian products, including unfertilized and fertilized eggs and ornamental feathers may be exhibited or displayed, in accordance with the standards established under the Department's *General Quarantine Order; 2025 Exhibition of Market Birds, Non-Poultry, Hatchlings, Feathers, and Eggs*.

A completed *Owner Endorsed Avian Health Certificate and Biosecurity Statement* must accompany market birds, non-poultry, hatchlings, and avian products, including unfertilized and fertilized eggs and ornamental feathers, to a Pennsylvania Venue or Fair within the Commonwealth of Pennsylvania which is sponsored by or receives funding from the Pennsylvania Department of Agriculture pursuant to the Pennsylvania Agricultural Fair Act (act of July 8, 1986, P.L. 437, No. 92)(3 P.S. §§ 1501- 1510). The certificate must be presented to exhibition management prior to cooping of market birds and non-poultry, or display of hatchlings and avian products, including unfertilized and fertilized eggs and ornamental feathers. The form must be endorsed with the signature of the owner of the market birds, non-poultry, hatchlings, and avian products, including unfertilized and fertilized eggs and ornamental feathers.

The following information is required:

1. Exhibition Information:

a. Name of exhibition: _____

b. Address of exhibition: _____
Street, Route, or Box Number

City State Zip

2. Owner Information:

a. Owner and exhibitor name: _____

b. Owner and exhibitor address: _____
Street, Route, or Box Number

City State Zip

c. Owner and exhibitor telephone number: (____) _____

d. Owner email address: _____

3. Verification of Biosecurity: Biosecurity measures for all market birds, non-poultry, hatchlings, and avian products, including unfertilized and fertilized eggs and ornamental feathers being exhibited or displayed include a biosecurity plan which is followed on the premises where the source flock is located, to include at minimum:

- a. Visitors to bird housing areas are restricted.
- b. Anyone visiting the bird housing area should have clean clothing and should have used hand sanitizer or washed their hands before handling birds, feathers, eggs, or related equipment.
- c. Designated footwear or footwear that has been cleaned and disinfected is worn in the bird housing area by anyone entering the area. A clear line of separation exists at the entrance to the bird housing area.
- d. All ornamental feathers and unfertilized and fertilized eggs for exhibition are maintained in a biosecure manner, separate from birds and other avian products, prior to entry into the exhibition.
- e. All conveyances, including transport vehicles, coops, crates, boxes, and other containers used to transport market birds, non-poultry, hatchlings, and avian products, including unfertilized and fertilized eggs and ornamental feathers to an exhibition are cleaned to be free of visible manure, litter, or other debris.
- f. All coops, crates, boxes, and other containers used to transport market birds, non-poultry, hatchlings, and avian products, including unfertilized and fertilized eggs and ornamental feathers to an exhibition shall be disinfected with a product effective against the avian influenza virus and allowed to dry before use.
- g. All exhibitors should follow the current biosecurity guidelines: *Keeping Your Show Animals Healthy-Guidelines for Exhibitors*.

4. Owner Endorsement:

I certify that the above information represents a true and accurate statement regarding my market birds, non-poultry, hatchlings, and avian products, including unfertilized and fertilized eggs and ornamental feathers, and their home flock(s). I further attest and affirm that a “Veterinarian Client Patient Relationship” – as that phrase is defined in the Act relating to Animal Exhibition Sanitation found at 3 Pa.C.S.A. § 2501 *et seq.* and any amendments thereto – “exists with regard to any market birds, non-poultry, hatchlings, and avian products, including unfertilized and fertilized eggs and ornamental feathers which I will be exhibiting.”
